## Public Works Department 5/19/20 NOTICE OF IMMINENT CONSTRUCTION 500 BLOCK OF E. WALNUT AVE. DRAINAGE AND STREET IMPROVEMENT PROJECT

Dear Property Owners:

**The City's Contractor, Excel Paving Company, will resume their project construction activities on Monday, June 1, 2020.** Obstructions to the proposed pipe route have been relocated by other agencies.

### **Schedule**

The project is scheduled to continue on June 1, and to take approximately one month to complete. Working hours will be Monday through Friday from 7:00 am to 4:00 pm.

Excel Paving Company will deliver Notices to 500-block E. Walnut Avenue residents one week prior to construction, and No Parking signs may also be placed 72 hours in advance, informing motorists not to park in certain areas. Please note that schedules may change based on material availability, weather conditions, or other unforeseen circumstances.

Please inform family members or tenants of construction activities so they may plan accordingly.

### **The Work**

Construction will occur primarily on the south side of the street. The contractor will install a catchbasin and a storm drain pipe. They will also install a north-south crossgutter just east of the Sheldon St./Walnut Ave. intersection, remove and replace driveway aprons, remove existing curb and replace it with curb and gutter, and do asphalt work to increase south-side curb-face height.

The street will be open to 500 block E. Walnut Avenue residents only during the remainder of the project and all work will occur on public property. *Please obey any pedestrian and vehicle traffic controls in the construction areas, for everyone's safety!*

### **Contact Info**

**Max Paronelli, Project Manager, Excel Paving Company, Inc., (562) 599-5841:** Please contact Mr. Paronelli for any on-site, day-to-day questions you may have about timing and access.

**Floriza Rivera, Project Manager, City of El Segundo (310) 524-2361:** Please contact Ms. Rivera for any general questions you may have.

Thank you for your cooperation!
